UNIVERSITY
OF ALBERT

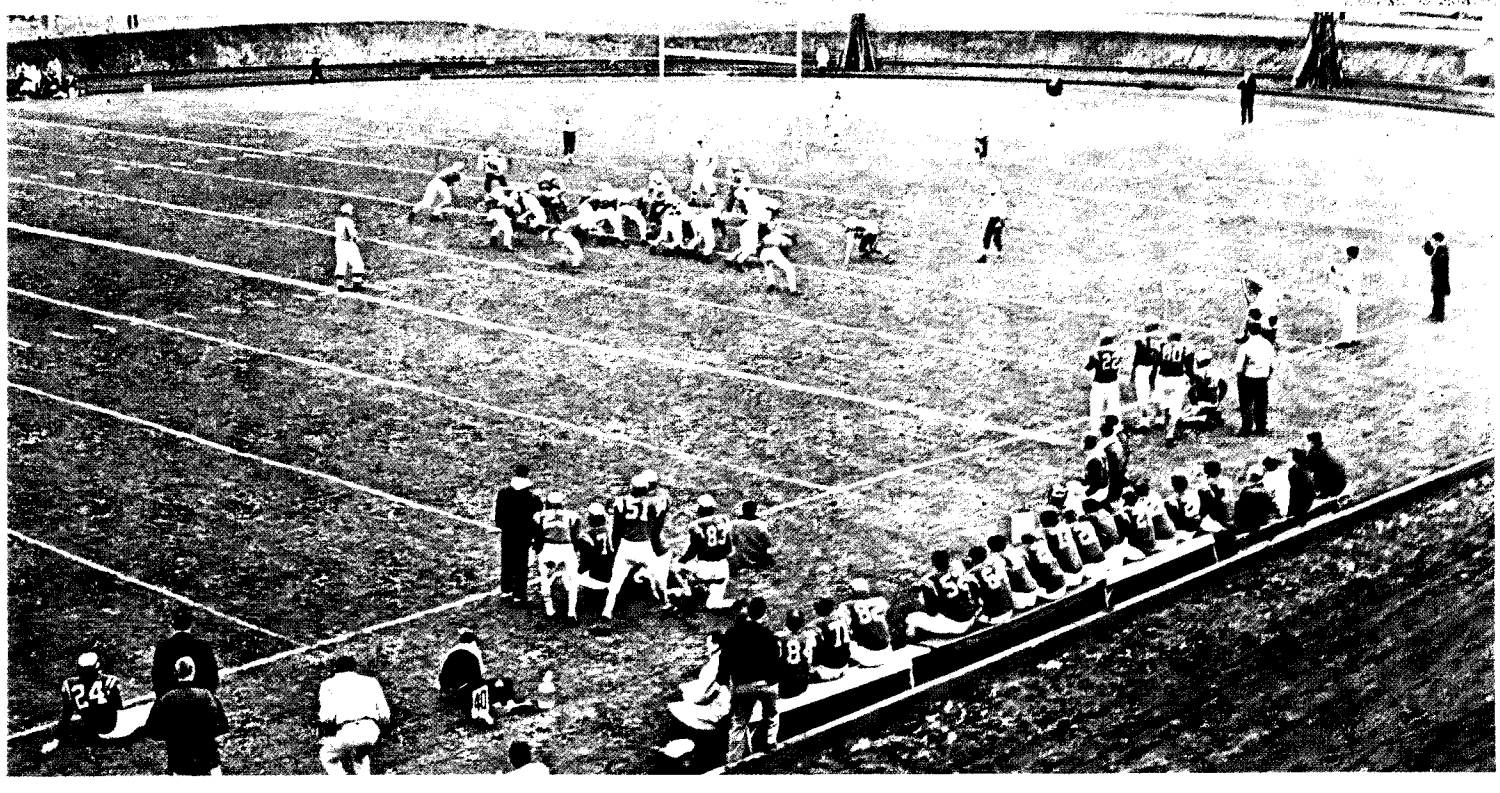

UNIVERSITY of ALBERTA vs. UNIVERSITY of SASKATCHEWAN

After ten years of absence, football and the Golden Bears returned, on a wave of enthusiasm, to the U. of A. campus this fall, competing once again in W.C.I.A.U. league games.

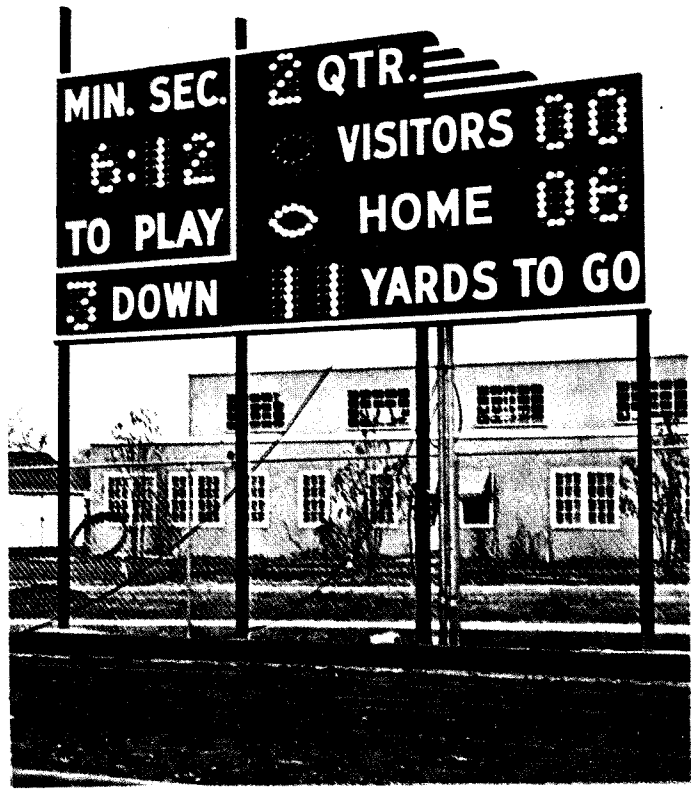

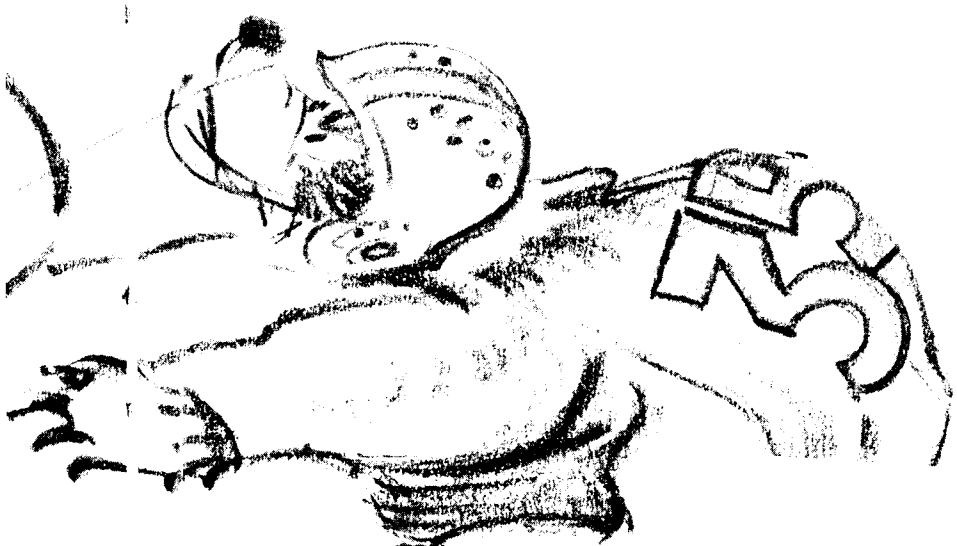

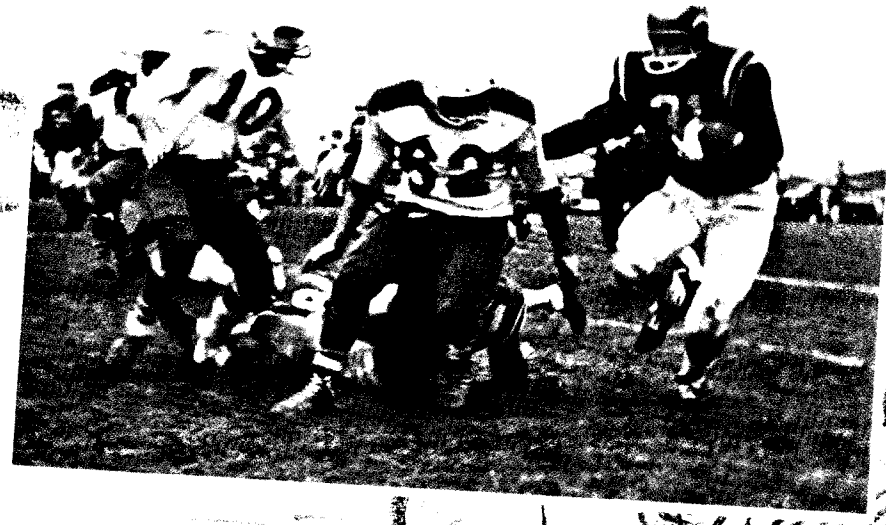

Then strip, lads, and to it, though sharp be the weather,
And if by mischance, you should happen to fall,
There are worse things in life than a tumble on heather,
And life is itself but a game at football.

—Sir Walter Scott

far as human eye could see,

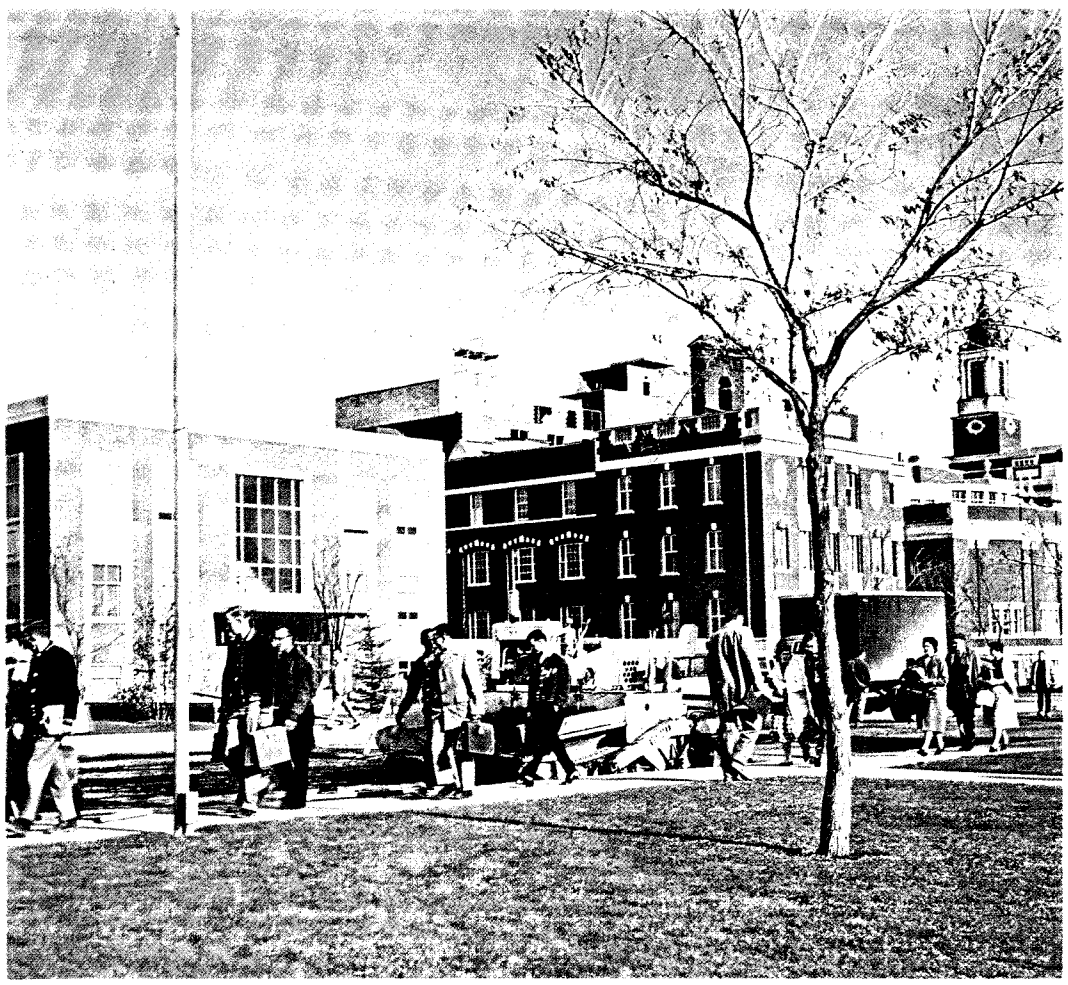

Saw the vision of the world,

The enchanting miracle of change

—Michael Field

The old order changeth, yielding place to new.

—Alfred Lord Tennyson

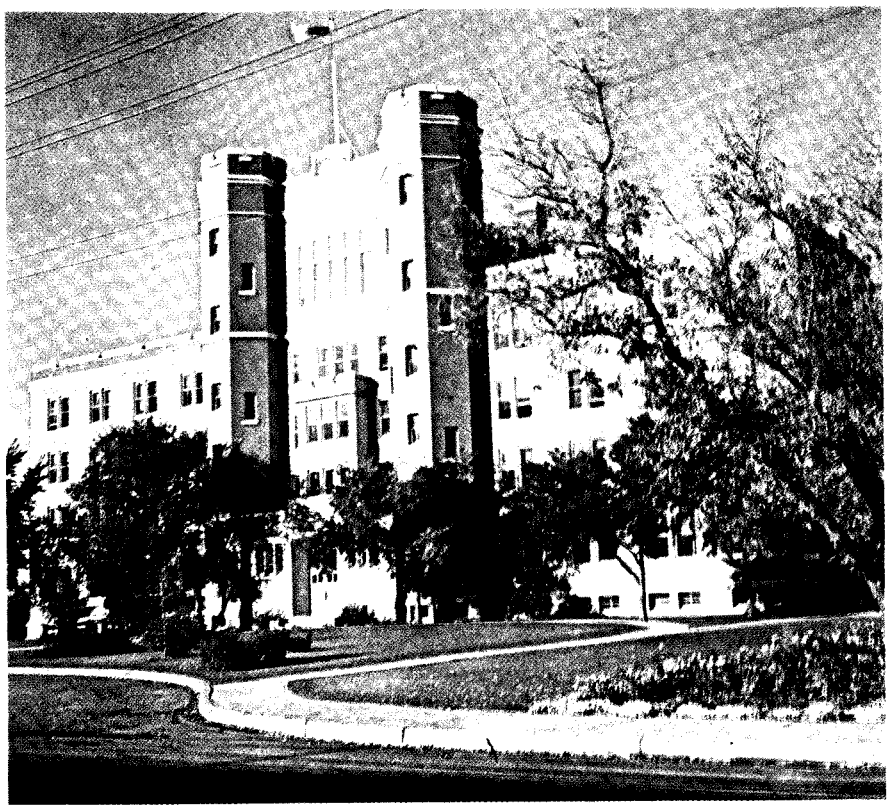

THE ULTIMATE continuing strength of a University rests with the alumni. Their association is ended only with death, and even then new generations of alumni provide the continuity that perpetuates a University. Its officers come and go, its faculties change, its programs are modified, and its buildings are replaced, but its alumni maintain a lifelong relationship to their University. They are keepers of the tradition, preferred stockholders of the enterprise, the mark of its accomplishment.

From the time he is selected as an undergraduate, the alumnus is irrevocably associated with and attached to his University. If his University gains renown, some rubs off on him. If he attains prominence and success, his University basks in the reflected glory. He of all people has the greatest stake in his University. He follows its progress with pride; he serves as an unofficial ambassador to the community; he contributes in many ways to its leadership.

A University has a responsibility to its alumni, and they to it. If an alumnus maintains an intimate association with his institution and an intimate knowledge of its goals and problems, the chances are great that he will give it his assistance, in time, effort and money. In turn, the University is the keeper of a trust for him. It must never give him real cause to regret that it is his University. This is the ideal University-alumnus relationship. Both the University and the alumnus should strive to reach it and keep it.

—ANONYMOUS

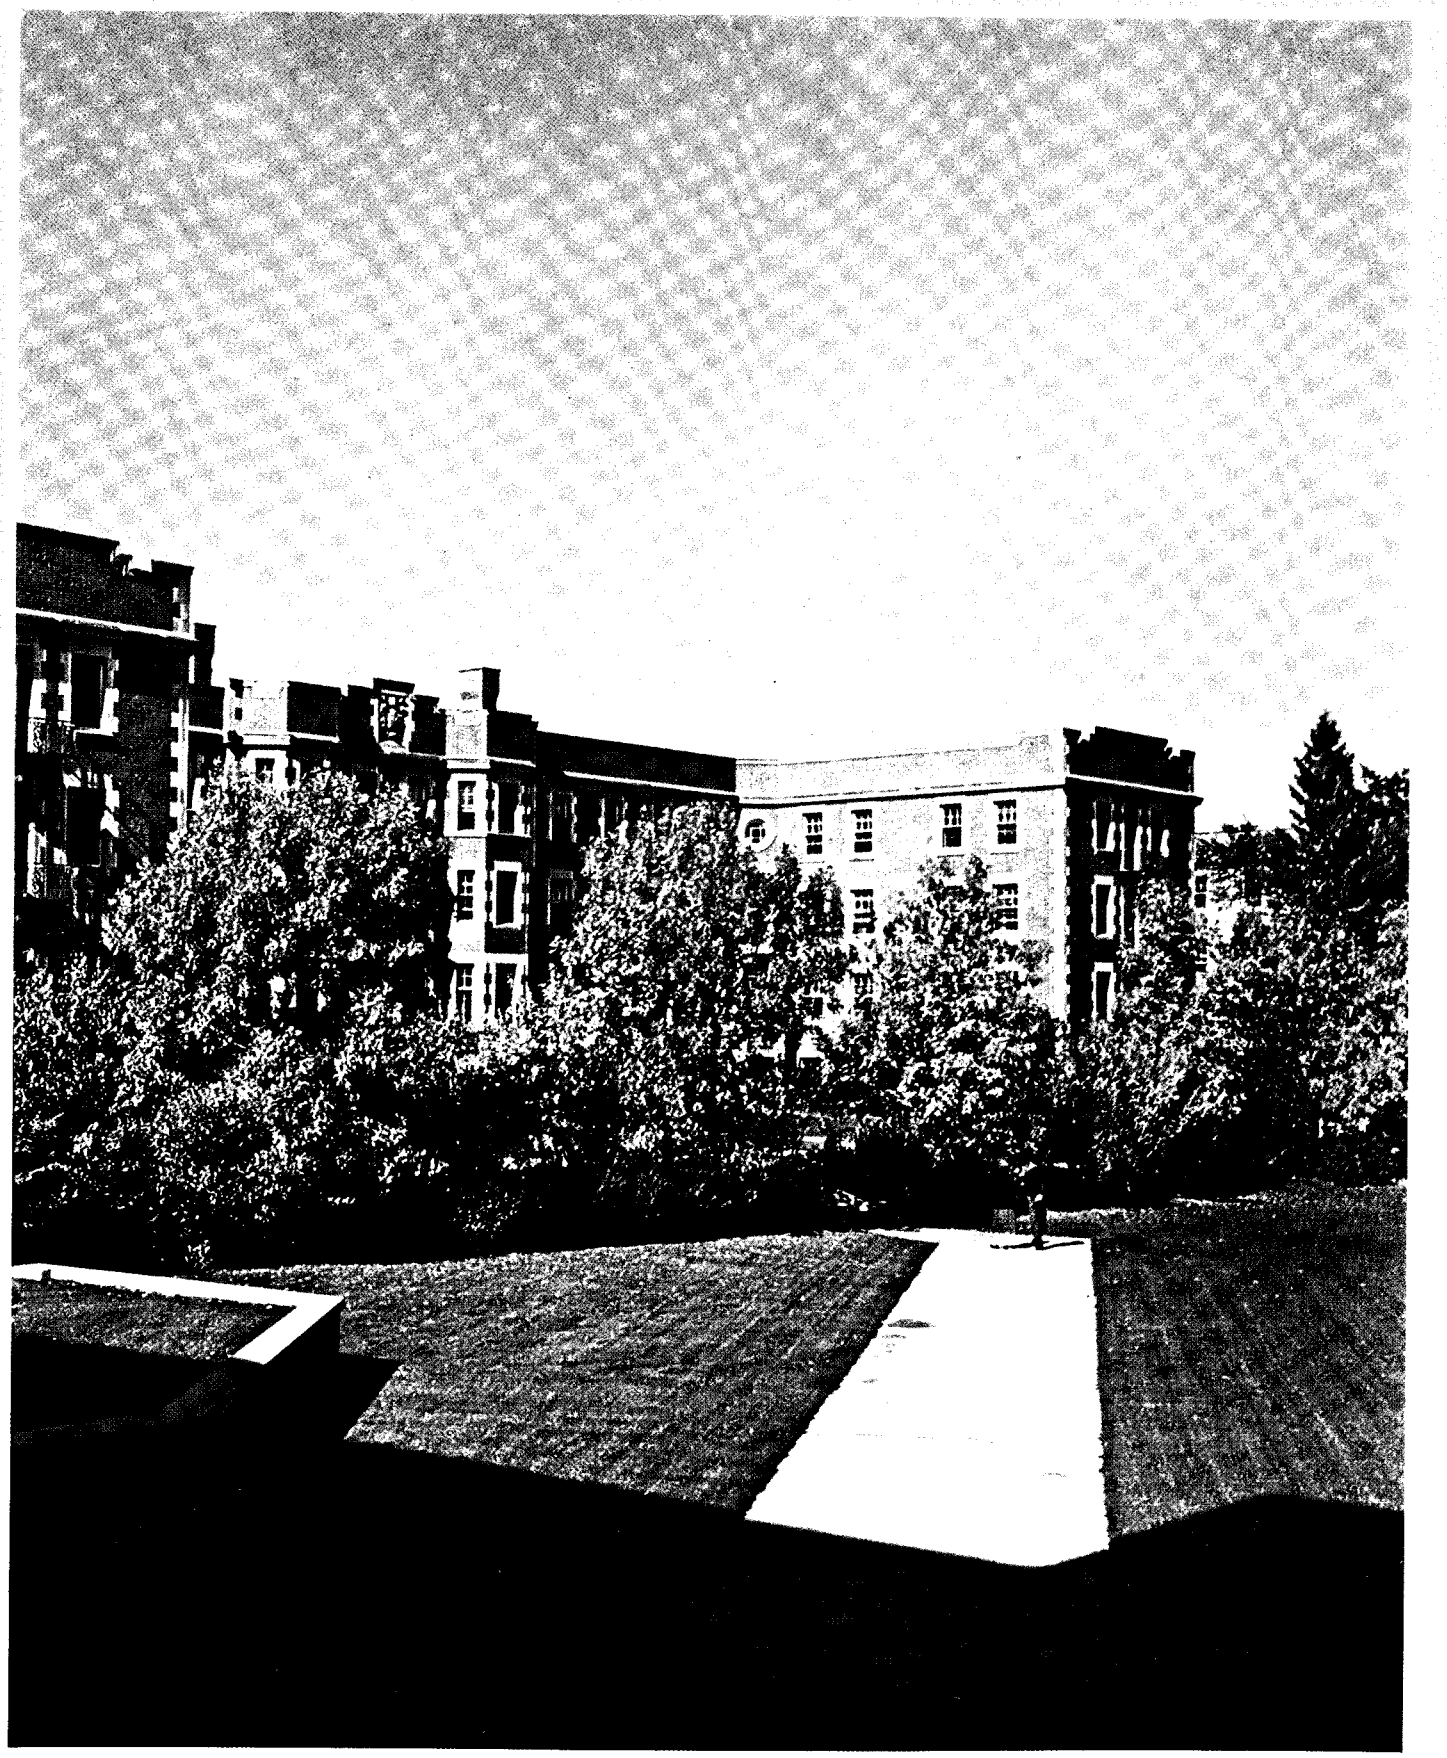

Buildings are the books that everyone unconsciously reads.

—Ibid

A university should be a place of light, of liberty and of learning.

—Disraeli

DR. WALTER HUGH JOHNS

President of the University

Dr. Walter Johns is an illustration of the adage that energy, dedication and hard work are qualities which make a successful career. In the past twenty-one years he has risen from the position of a lecturer in Classics to that of President of the University. During that period he served not only as a professor of Classics but also as Assistant to the Dean of Arts and Science, Assistant to the President, and Vice-President. The same qualities which established him in these positions have made the first year in his new office a notably successful one.

The President received his Bachelor and Master of Arts degrees from the University of Western Ontario in 1930 and earned his Doctorate in Classics at Cornell in 1934. Last year he was honored by the University of Western Ontario with a Doctor of Laws degree.

THE PRESIDENT'S MESSAGE

One of the most significant features of our history since the thirteenth century has been the desire of individuals and groups of citizens to establish and endow centres of learning. This practice has happily been a feature of life in the new world as it was in the old, and the names of Eli Yale, John Harvard, Leland Stanford, and James McGill, have been immortalized by the Universities they have founded.

Today the process is still going on, though it has become impossible for individuals to establish or sustain new institutions from their own resources. The new benefactors are chiefly the Provincial and Federal Governments, though corporations and individuals still make substantial contributions.

The net effect has been that the universities today have facilities for the pursuit of learning never before equalled in history. These are matched to some extent by the provision of funds for students who need financial aid to permit them to take advantage of these opportunities for higher education.

The burden of responsibility to use these facilities to the best advantage lies heavily on faculty and students alike. Surrounded by new buildings and laboratory equipment and by the rapidly growing resources of library books and periodicals, the student may forget that the human mind is still the most effective instrument for the solution of the technological and social problems of our complex age.

Knowledge is growing so quickly and so abundantly that the student must work harder than ever to keep pace with its growth, and must learn to discriminate between the significant and the trivial. These are the guide posts by which we must each find our path in the complexity of this challenging era.

WALTER H. JOHNS,
President.

DR. L. H. CRAGG
Vice-President of the University

Dr. Lawrence H. Cragg joined the University of Alberta this year as Vice-President. Prior to this appointment he was professor and chairman of the Department of Chemistry at McMaster University. Dr. Cragg received his Bachelor of Arts in Honors Chemistry and his Master of Arts in Chemistry from the University of Toronto. He also received his Doctorate in Physical Chemistry from that same university.

JUDGE L. Y. CAIRNS
Chancellor of the University

THE DEANS' COUNCIL

The Deans' Council has, among its duties, the day-to-day administration of student discipline. President W. H. Johns is the chairman and the secretary is Provost A. A. Ryan.

Seated, left to right: Dr. L. H. Cragg, Vice-President; Dr. W. H. Johns, President; Mr. A. A. Ryan, Provost; Dean W. Bowker, Law; Dr. M. L. Van Vliet, Physical Education; Miss McIntyre, Household Economics. Standing, left to right: Dean A. G. McCalla, Graduate Studies; Dr. H. Harries, Commerce; Associate Dean L. E. Gads, Engineering; Dean H. T. Coutts, Education; Dean D. E. Smith, Arts and Science; Dean W. MacKenzie, Medicine; Dr. J. R. Fowler, Physiotherapy, and Dr. M. J. Huston, Pharmacy.

One of the more familiar personalities on campus, Dr. M. L. Van Vliet has been the Director of the School of Physical Education for the past fourteen years. He is also Chairman of the University Athletic Board which directs and supervises the extra-curricular athletic program of the University. The U.A.B. is made up of the following faculty members and students:

Miss Pat Austin, Director of Women's Athletics

Jack Agrios, President of Men's Athletics

Neil McNabb, Vice-President of Men's Athletics

Louise Calder, President of Women's Athletics

Mr. Steve Mendryk, Director of Inter-Collegiate Sports

Jean Harvie, Women's Athletic Association Representative

Al Warrack, Intramural Sports Representative

George McKimm, Inter-Collegiate Sports Committee Representative

Mr. J. W. Porteous, Academic Staff Representative

Mr. T. Miller, Alumni Association Representative

John Decore, Students' Council Representative

The past year has been a landmark for the School of Physical Education, as Dr. Van Vliet and his staff will move into their magnificent new building in the coming fall. This move will mark the end of the School's struggle with inadequate facilities due to ever-increasing enrollment.

DR. M. L. VAN VLIET
Director, School of Physical Education
Chairman, University Athletic Board

Left to right are John Decore, Louise Calder, Jack Agrios, Dr. Van Vliet, Miss Austin, Mr. J. W. Porteous, Mr. S. Mendryk and George McKimm.

MR. JOHN DECORE
President of the Students' Union

The memory of a year's activities is preserved in many different ways. A Green and Gold banner or a fraternity pin may bring a certain aspect of campus life back to mind. But a yearbook, with its many faces and pictorial documentary of events, is perhaps the most treasured memento one can have.

The 1959-1960 term will soon become a memory; to many of us, one of the most vivid. It is also a year which gives us a glimpse into the future of our school, for to look at the tremendous building expansion that is being carried on at our University is to realize that an even greater institution of learning is rapidly growing.

Student government has been a most interesting and enjoyable responsibility. The Students' Council has delved into many aspects of student life. It has wrestled with parking, bus service and football exchanges. It has dealt with Campus Queen contests, Homecoming Weekend and international affairs.

In working and planning with the members of my Council, and with those people whose efforts behind the scenes made this term so successful, I feel very proud. To these people I extend my sincere appreciation. They have made student government at the University of Alberta an efficient, responsible organization.

John D. Decore.

MISS MAIMIE SHAW SIMPSON
Dean of Women
Warden of Pembina

Born in Ireland, Maimie S. Simpson, B.Sc., M.Sc., M.Ed., is a graduate of the University of Alberta. In 1946, after two terms as a teacher, Miss Simpson returned to the University as an associate professor in the Faculty of Education, and adviser to women students. Under her capable supervision Pembina Hall was re-opened in 1946 as a women's residence. After her official retirement August 31 of this year, Miss Simpson will embark upon a world tour.

A CAREER IN RETROSPECT

Miss Maimie S. Simpson, Dean of Women and Warden of Pembina Hall, retires this year.

Our University has been her life. The fact that she sits as secretary on the Committee of Student Advisory Services and as adviser to the Panhellenic Society is evidence of her keen interest in student welfare. Her recent activities reflect the enthusiasm that she has felt since her student days. Mixed Chorus and Studio Theatre have enjoyed Miss Simpson's whole-hearted support through the years and she has never missed a performance of either. She also devotes much of her time to the University Women's Club and the Women's Canadian Club.

All who have had the pleasure of associating with Miss Simpson will testify that she has never lost the exuberance of youth, and that the experience of her years of service has tempered that exuberance with warmth and understanding.

MR. A. A. RYAN
Provost

Professor A. A. Ryan this year has completed his seventh year as Provost of the University. As Provost, Mr. Ryan serves as the secretary of the Deans' Council, the body which is responsible for the administration of student discipline.

Mr. Ryan obtained his Bachelor and Master of Arts degrees from the University of Alberta, and has been a professor with the Department of English for the past thirteen years. Before his appointment as Provost he served as Warden of Assiniboia for ten years.

MR. REG LISTER
Superintendent of Residences

Reg Lister retires this year as Superintendent of Residences after nearly 50 years of service with the University. A familiar figure on campus, he will be sincerely missed by both students and faculty members.

THE ALUMNI ASSOCIATION

The General Alumni Association, one of twenty-one branches across Canada, establishes and maintains contact with as many of our graduates as possible.

The secretary of the Association edits a newsletter, The Pathfinder, and a quarterly, The New Trail, which are forwarded to available addresses.

Official membership in the Alumni Association is gained by donations to the fund-raising campaign.

Mr. Markle and staff

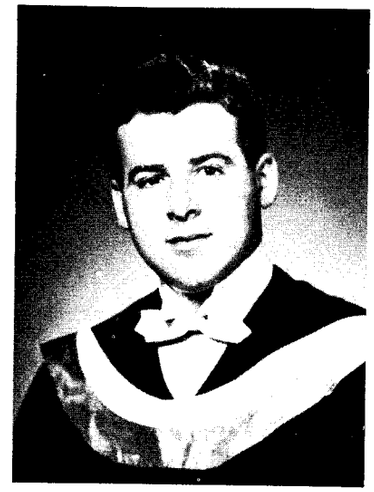

Under the direction of Mr. Markle, all public relations and press relations from the campus are handled by the University Press Bureau.

VALEDICTORY 1960

LYNN PATRICK

Today we bid our University fond farewell. This is in truth a farewell to many people and many things; to the hallowed halls that we have come to know and to honor, to the Deans and Professors who have inspired us to think for ourselves and have cultivated our thinking to produce mature, logical thoughts and ideas, to our friends and acquaintances grown close by the common struggle for self betterment, a farewell to a life of diligent study properly interspersed with gay times, all of which has delivered forth this day a group of individuals common only in that they shall forever be known as the Class of 1960.

As we step forth into a new decade it is important that each of us stop at this moment of transition and examine ourselves. We are well aware that our skills are desired and needed in the world but lest we be accused of overconfidence and arrogance we hasten to point out that in our acquisition of the coveted university degree we have not acquired with it the elusive characteristic of being wise. Our departure is in humility, for in these past few years we have come to full realization that our learning still lies ahead of us. We have now only the rudiments of an education in that we have learned to reason, to draw conclusions and to express ourselves, and these are the tangibles. The intangibles such as learning to adapt ourselves to varying conditions, the holding of positions of trust, the exercising of opportunities, and social integration combined with the tangibles give to us those necessary attributes to accept a great responsibility. The responsibility of taking a place in society and of service and dedication to society.

We have not come by these things lightly for they required a determined effort — a struggle — and in this we have gained character and have been instilled with a sense of purpose. With these rudiments of an education now gained as our tools we may venture forth to carry out that purpose.

There can be no question as to the importance of these assets we have acquired, but also important is that they have not been acquired void of spirit, for with them we have gained a sense of values; we know the importance of responsibility, the advantage of honesty and the value of compromise. These things shall guide us in carrying out that purpose to which we are dedicated.

This is an all too brief appraisal of ourselves, for the true test lies ahead just beyond the horizon. We hope that we may pass the test with great success. Ahead lies the most fortunate society the world has ever known with individual freedom its hallmark, its products, opportunity and a high standard of living. Our test will be to at least preserve but most important to improve and refine our freedoms and standards.

For these things we must express our gratitude to our professors of learning, to our legislators, and to our parents for they have contributed their knowledge, resources and encouragement that we might today achieve this great honor.

We leave with the great hope that we may serve society with true inspiration and that we shall become fit representatives of our Alma Mater — to whom we now bid farewell.

CLASS HISTORY 1960

MARY WYNNE ASHFORD

"The past is but the beginning of a beginning, and all that is and has been is but the twilight of the dawn . . ."

— HERBERT GEORGE WELLS
The Discovery of the Future

In the cliched words of a thousand year books, the time has come for us to look back over our years at university before contemplating the future. The class of 1960 is a composite of infinite variations viewing the same past with vastly differing feelings.

The family history and background of each student demonstrates the variety in our class. Students at the University of Alberta represent nearly every country in the world. Behind each of us is a family giving support of both moral, and in most cases, financial nature.

When we enrolled, three or four years ago, we claimed an intense thirst for knowledge. In some cases, this was perhaps naïve, but deep and honest. In other cases it was rationalization of a desire to follow the group, or to get away from home, or just to do something different. So we took up residence at the University.

In the beginning we may have misunderstood our obligations as students and felt that our purpose was to enjoy ourselves to the utmost. We wasted hours in Tuck, joined clubs, and in a frenzy of enthusiasm, campaigned for any cause needing our exuberant support. Through the years we recall Frosh Week, Ted Heath, pep rallies and the Purple Rider, Jubilee Day, WUS Health for Hong Hong, World Refugee Year, elections, Model Parliament, Souse Pacific. We donated blood, wrote to the Gateway and consumed lecture notes, faithfully feeding them back to our professors at exam time.

Gradually we became more discerning. Our activities began to focus on what was essentially important to us as individuals. Perhaps we aspired to leadership in a specific activity. No longer content to accept blindly what was fed to us in classes, we questioned, selected, rejected, and learned to probe the sources of knowledge available. In some cases this led to an overcompensation and a rejection of all accepted beliefs. Perhaps in our new discernment we became apathetic to the "rah-rah" and felt no remorse at the losing struggle of some groups like the ASUS.

One can nearly graph the correlation between coffee consumption and the time of year. In November, December, February and April we seem to develop a capacity for gulping down gallons of the mixture. Between the peaks of coffee and cramming are the firm straight avowals to maintain a schedule, attend all lectures, stop playing bridge in Tuck, and resign from all activities.

A highlight for summer school students this year was the visit of the Queen and Prince. We hope the Royal Couple overlooked the confusion of construction with its sea of mud, and just saw the aspirations of a growing university. We are very proud of the expansion of our university. The new Administration Building, Biological Sciences, Math and Physics, the Gymnasium, and the numerous additions to the old buildings. This joy was tempered only by disappointment at the lag in the residence program. Die-hards still question "But what's happened to the quad?"

The pride of each student is renewed on Varsity Guest Weekend when he can display his knowledge for his family. His prowess in producing a Varsity Varieties worthy of high esteem in non-professional work demonstrates his versatility.

In graduating we must sort and evaluate our memories of university. We have sadly said goodbye to members of the staff, and warmly greeted their successors. Have we developed a true and deep respect for traditional learning? In assuming positions of leadership have we become realistic in outlook, and more humble in the realization of our universal human shortcomings? I am sure our appreciations have deepened; values, faith, and bonds of friendship have strengthened. The education which we have struggled to accumulate is now seen as a mere beginning, a preparation which may seem totally inadequate for a lifetime of searching.

Not — "Whatsoever things are true" — we know them; but *"What things are true?"* To this we, as graduates, must dedicate ourselves. The future for the student rests with himself.

The Wauneita Society was established in 1909-10 to promote friendship among women students attending the University of Alberta. This year marks the fiftieth anniversary of the founding of this organization named "Wauneita" which means in the Indian language "kind hearted". This year also marks the retirement of our adviser Miss M. S. Simpson, who has been a most loyal Wauneita for many years.

A "Big Sister—Little Sister" plan was begun this fall whereby upper class women tried to help introduce freshettes to campus life. Coffee parties, the formal tea and Wauneita Initiation highlighted Freshman Introduction Week. The Wauneita formal "Moonlight Ball" was held in October. Our "Jean-Boree", a new venture for Wauneitas was held in November. The evening consisted of a sing-song, entertainment put on by various faculties, and refreshments. In December, Wauneita, in conjunction with the Macleod Club, sponsored a White Gift Christmas Party.

The Wauneita Society has enjoyed a successful year and has appreciated the interest and help given to us by our honorary president, Mrs. H. T. Coutts.

UNIVERSITY OF ALBERTA

MIXED CHORUS spells a host of memories — the sharing of inspiring and challenging music under the baton of Professor Richard S. Eaton, the making of new and lasting friendships, five successful concerts in Edmonton, Jasper and Hinton, and the expression of the goodwill of the University of Alberta conveyed through music to the people of this province. To the 150 students who participated in the 1959-60 Mixed Chorus it means all this and more. Present as well as ex-Chorus members share these memories with Miss Maimie Simpson, eight years chaperone, who was honored opening night of Mixed Chorus Week.

Christmas brings to mind the highest expression of this sacred festival realized by Chorus members who went carolling through the University Hospital and the Colonel Mewburn Pavilion. Varsity Guest Weekend concert and a Western Canada C.B.C. broadcast in March provided further opportunity for the Mixed Chorus to fulfil its goal of bringing music, not only by the old masters such as Buxtehude, but also by contemporary Canadian composers, to young and old. Special tribute must be paid to our conductor, Mr. Eaton, and the student orchestra, whose contribution has been sincerely appreciated in fulfilling these goals.

Many firsts mark the Mixed Chorus calendar. The end of January marked the first Mixed Chorus visit to Jasper and Hinton on the farthest Winter Tour of its sixteen-year history. Spring Tour 1960, another opportunity to continue its excellent job of public relations for the University, will take the Mixed Chorus on its longest tour for fourteen days to the Peace River district.

This year's Symphony Orchestra enjoyed the most successful season to date, under the direction of Professor A. B. Crighton. In December, the Symphony, along with the University Singers, presented a program of Christmas Music in Convocation Hall. At the end of February the Symphony gave its annual concert. During Varsity Guest Weekend the Symphony combined with the Mixed Chorus to present an afternoon concert.

Socially, the Symphony members enjoyed numerous parties as well as the annual banquet.

The local committee of N.F.C.U.S. had the privilege in 1959-60 of hosting the Canadian Intervarsity debating finals during March. Also, the visit of Jaques Guerin, national president of N.F.C.U.S. highlighted the past year.

Next year it is hoped that N.F.C.U.S. on our campus will expand into an organization closely connected with every student on the campus.

VARSITY CHRISTIAN FELLOWSHIP

The Varsity Christian Fellowship (V.C.F.) is an interdenominational, international group whose purpose can be best stated by its motto: "To know Christ and to make Him known."

Active on campus for the past thirty years, V.C.F. provides opportunity for all students, regardless of their beliefs, to examine carefully the content and meaning of the teachings of Jesus Christ. The opportunity to do this is provided through Bible studies, prayer discussion groups and stimulating speakers who represent a wide range of professional as well as religious knowledge. To round out its program, V.C.F. also has indoor and outdoor socials, dagwood suppers, week-end camps and, as annual events, a leaders' smorgasbord and a Banff Christmas with the international students studying at the U. of A. campus.

BROMO BALL

PHARMACY LAB.

PHARMACY CLUB

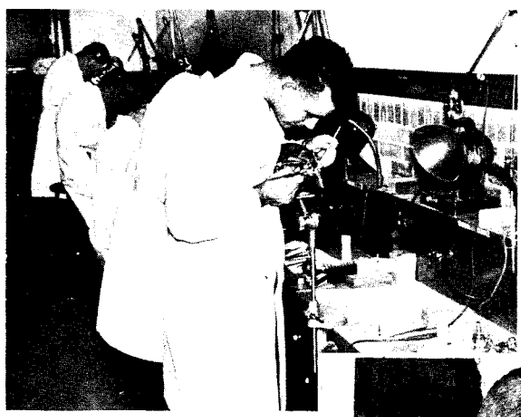

The Pharmacy Club once again has enjoyed a very successful year. Along with their annual formal at the Macdonald Hotel and the "Bromo Ball", many other social events and sporting activities were held. A major accomplishment of the Club this year was the publication of the "Medicamentarius", the Club newsletter. The second annual exchange weekend with the Faculty of Pharmacy, University of Saskatchewan was also a very successful event.

THE LAB

The annual fall banquet and smoker held at the Park Hotel initiated the activities of 1959-60.

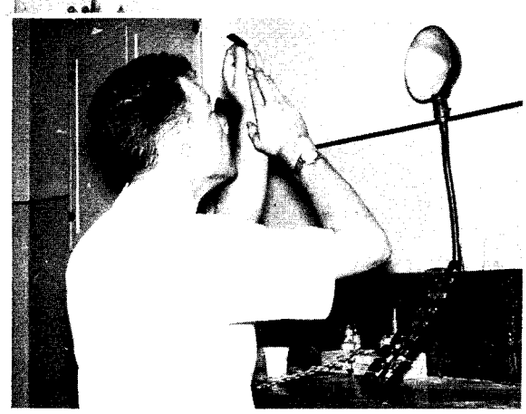

There was a large turn-out for the D.U.S. golf tournament held at the Municipal Golf Course. Although several golfers played the 18th hole in darkness, their scores still remained below 150.

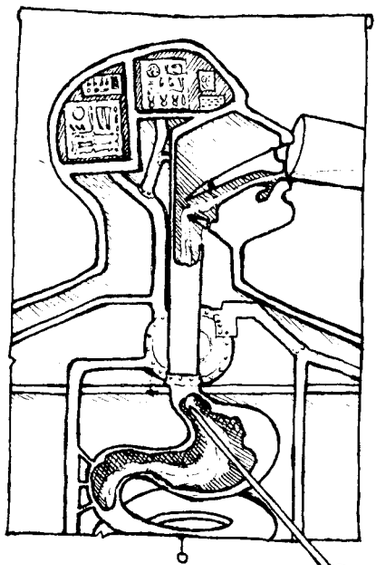

THE CLINIC

Several D.U.S. parties were held throughout the year and the entertainment provided by each class was in many instances unrehearsed and unrestricted.

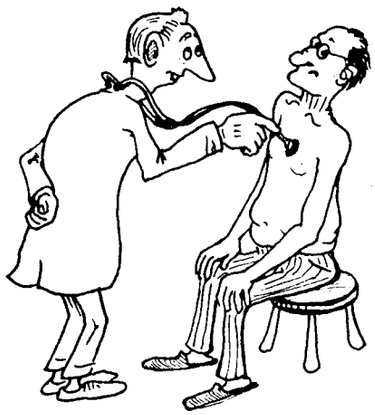

The Spring Formal at the Macdonald Hotel climaxed the activities of 1959-60.

The Education Undergraduate Society, with over 900 members, boasts the largest organization on the campus. The society provides for its members activities of a social and athletic nature and, through its close alliance with the A.T.A., also provides for the professional needs of its members. Highlights of Education's successful year include: Pogo Dance; Latin Quarter Dance; the Education Formal; Western Canada Student Teachers' Conference; Movies; Student Assemblies; success in intramural and inter-city athletic accomplishments, particularly in volley ball and basketball; Student-Staff Teas; and Education's contribution to Varsity Guest Weekend through the Education Winter Carnival. The success of the E.U.S. is due to the efforts of its strong, active membership and its capable executive.

By the second week of November, the "Bible" of the socially ambitious student, the Telephone Directory, appeared. This indispensable booklet lists the names, addresses, phone numbers, and faculties of all undergraduates, and involved a tremendous amount of hard work. Thanks go to the directors, typists, and proofreaders for a speedy, efficient job.

The Signboard Directorate, under the direction of the Promotions Committee, serves campus clubs and organizations in the field of advertising. The Directorate consists of a small group of people interested in sign-painting and display work.

The year began successfully with the signing-up of sixty-three new members. Unfortunately, membership dropped considerably due to examinations, other activities and due to lack of talent in the artistic field.

GREEKS

GREEKS

PANHELLENIC CREED

We, the fraternity undergraduate members, stand for good scholarship, for co-operation with our college ideals for student life, for the maintenance of fine social standards and the serving to the best of our ability our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnae days, is the ideal that shall guide our chapter activities.

We, the fraternity women of Canada, stand for preparation for service through character building inspired in the close contact and deep friendship of fraternity life. To us fraternity life is not enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

NATIONAL INTERFRATERNITY CRITERIA

We consider the fraternity responsible for positive contribution to the primary functions of the colleges and universities, and therefore under an obligation to encourage the most complete personal development of its members, intellectually, physically and socially. Therefore we declare:

1. That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters.

2. That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual.

3. That the fraternity should promote conduct consistent with good morals and good taste.

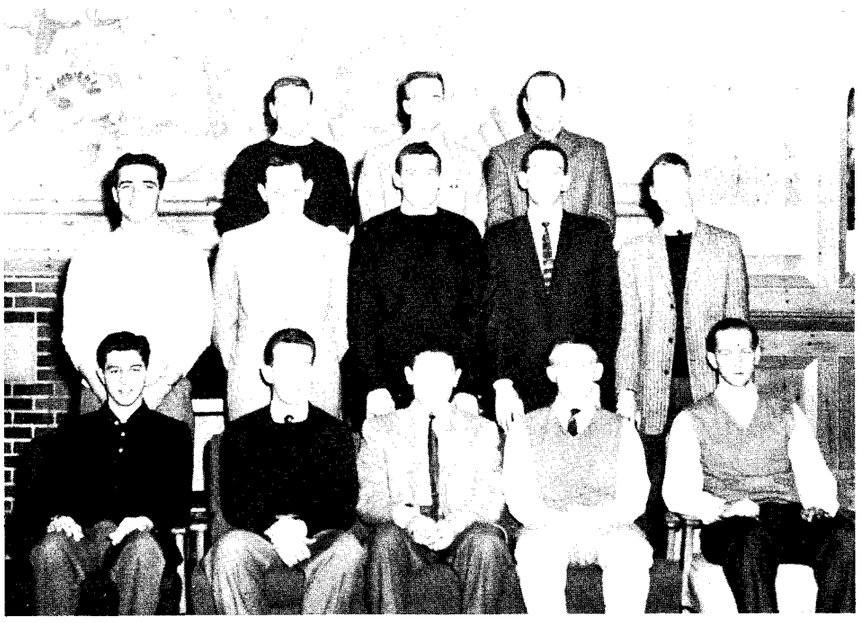

4. That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement.

5. That the fraternity should maintain sanitary, safe, and wholesome physical conditions in the chapter house.

6. That the fraternity should inculcate principles of sound business practice, both in chapter finances, and in the business relations of its members.

U. of A. vs. U. of S.

Alberta opened the new Western Canada Intercollegiate Football Union with a convincing 32 - 7 victory over U. of S. Huskies. Ross Christensen and Ernie Takacs, the fullback twins, led the strong Golden Bear offensive and scored two touchdowns apiece. George Stothart scored the other on a pass from Bruce Bryson. Takacs picked up 160 yards rushing and 120.

In the second game against U. of S. the Bears humbled the Huskies, 50 - 3, at Saskatoon. Takacs scored two touchdowns with others going to Frechette, Messier, Christensen, Francis and Kadatz. Maury Van Vliet kicked a field goal and 3 converts with a safety touch by Dennis Kadatz rounding out the scoring.

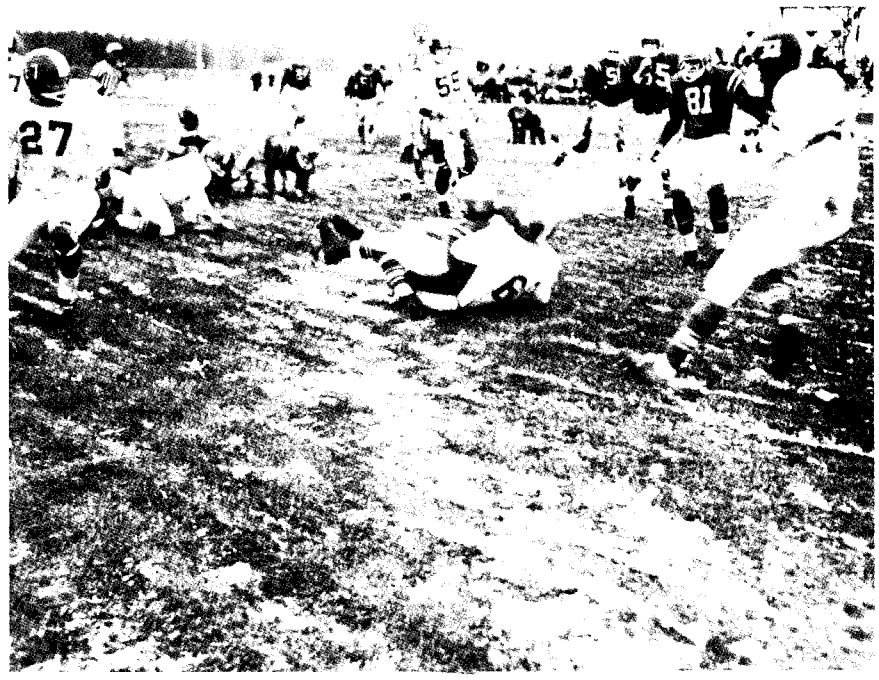

The last home game of the season, against U. of S. was won 24 - 0 by the Bears. Utilizing a 3-platoon system to give everyone a chance to go both ways, the Bears had little trouble with the Saskatoon squad. Ted Frechette played a fine game and scored two touchdowns. Other majors were scored by George Stothart and Ernie Takacs.

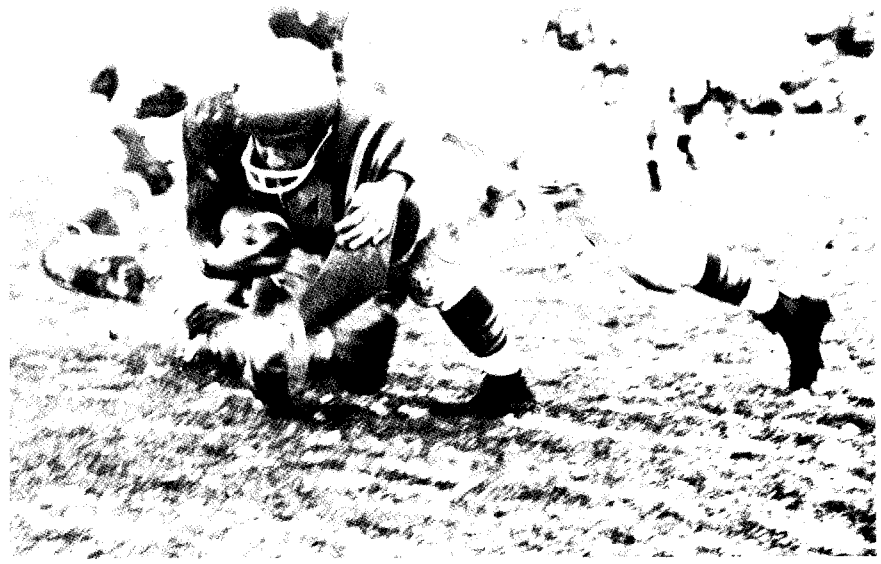

In the final game of the season, Alberta defeated Saskatchewan 33 - 6, giving them second place in the 3-team W.C.I.F.U. Led by fullback Ross Christensen with two touchdowns, the Bears were never in trouble during the game. Other Alberta scorers were Pierre Turgeon, Bill Dunnigan and Ross Walker with a touchdown each, and Maury Van Vliet with 2 converts and a single.

U. B. C. vs. U. of A.

In the first meeting with U.B.C. the Bears were downed 36 - 13. After the first quarter when the score was a close 14 - 13 the Thunderbirds gained complete command. The running of U.B.C. halfback Jack Henwood was the major factor in the B.C. win as he ran and caught passes for 3 touchdowns. George Stothart and Dick Messier scored the Alberta touchdowns on passes from Bruce Bryson.

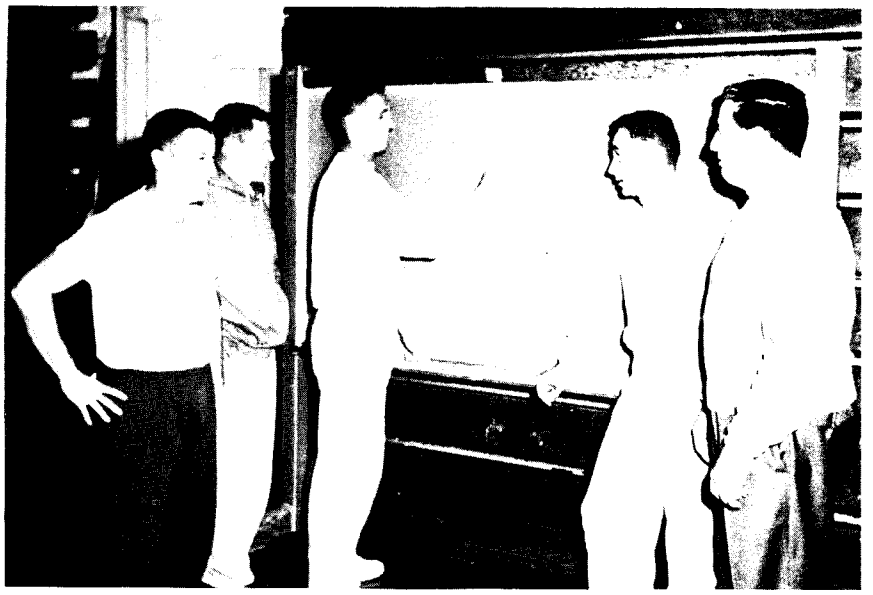

U.B.C. cinched first place in the W.C.I.F.U. when they edged the Golden Bears 21 - 19 in a thrilling game on the varsity grid. After spotting the Thunderbirds a 21 - 0 lead the Bears came back in the last half to score 3 touchdowns. The margin of difference came with the converts. Alberta managed only one convert in 3 attempts while U.B.C. made good on all 3 of theirs. Jack Dickson and Maury Van Vliet scored touchdowns on passes from Bruce Bryson while Ross Christensen scored on a line smash.

U. of A. vs. Carrol College

At the end of Frosh Week the Carrol College Saints from Helena, Montana, were the Bears' opposition in an exhibition game played under American rules. After taking an early lead on a touchdown by Ross Christensen the Bears were unable to penetrate the end zone of the Saints. The Montana boys scored one touchdown and kicked two field goals for a 12 - 6 win. The game featured rough hard-knocking line play and this along with the weather kept the scoring down.

Left to right: Clare Drake, Percy Daigle, Steve Mendryk, Murray Smith, Frank Morris.

Don Glover, Business Manager

Over the season Ross Christensen was the top scorer for the Bears with 6 touchdowns. Ernie Takacs was close behind with five. Takacs was the top ground gainer for the team and the most effective runner. The linemen, who receive the bruises, and little of the glory were spearheaded by Ray Wilkinson, Frank Dallison, Lorne Sampson, Bob Merner, Jack Dickson, Dennis Kadatz, Ted Mitenko and Walt Saponja. The line was a strong point on the Bears' team this season, opening the holes for the offensive ground attack and holding the opposition attack very well. With a successful first season, we can look forward to better things for next year and with a little luck play in the Collegiate final against the East. Coaches Mendryk, Drake, Daigle, Smith and Morris must be congratulated for a fine rookie year.

CROSS COUNTRY

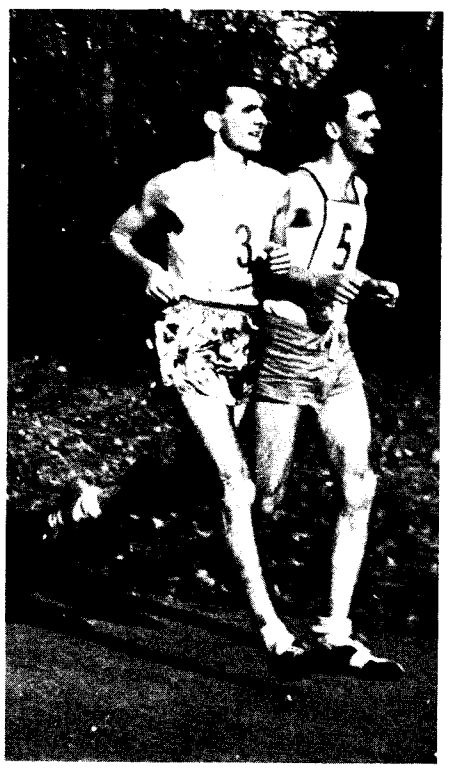

The Warren Trophy was retained by Alberta for the fifth consecutive year as Herb McLachlin's team once again proved their superiority in long distance running.

Henry Glyde won the event for the third year in a row, ahead of D. Dryburgh of Manitoba. Doug McDonald and Vic Sartor placed fourth and fifth and Don Gill ninth to give Alberta 19 points, 7 ahead of Saskatchewan, with Manitoba and B.C. trailing the field.

Top row, left to right: Don Gill, Herb McLachlin, Doug McDonald.

INTRAMURAL CROSS COUNTRY

A field of some 250 participants started this annual 3½-mile run on a fine October afternoon.

Henry Glyde won the race for the third year in a row, followed by Vic Sartor, Doug McDonald and Don Gill.

The race was highlighted by the appearance of two D.G.'s, Connie Skulsky and Lorna Blackbourne, who ran and finished the race ahead of several embarrassed males.

Front row, left to right: Pat Shandro, Judy Wood, Marg Shandro.
Back row, left to right: Quayum Shaikh, Anton Melnyk, Dale Jackson, Al Alcorn.

TENNIS

U.B.C. entered the intervarsity tennis competition for the first time this year. Acting as hosts, the Pacific team finished well in first place. U. of A. placed second when the final scores had been tallied. Once again the team was coached by Ron Ghitter, making this his seventh year in U. of A. tennis.

Ron Ghitter

MEN'S GOLF

In the men's intercollegiate golf, played for the first time at U.B.C., the Alberta team placed third behind Saskatchewan and B.C.

Alberta's Mike Richards won the men's individual honors with a 77-73—total 150.

Saskatchewan won the event with an aggregate score of 467. B.C. followed with 477; Alberta had 481 and Manitoba with 502.

WOMEN'S GOLF

The women's golf team this year consisted of June Jamieson, Mary Leigh Evanson and Mary Beth Milligan. The competition was held at Marine Drive Golf Club in Vancouver, where the girls had scores of 183, 191 and 206 respectively. Saskatchewan placed first, followed by Alberta, Manitoba and British Columbia.

BEARS vs. BISONS

In the season opener played at Winnipeg, Alberta lost a close game, 2 - 1, in overtime. The Bears were weakened considerably by the absence of four of their top players who were in Edmonton playing against the touring Moscow Selects. Pete Connelan scored the only Alberta goal.

On the following night Vern Pachal and Al Laplante returned to the lineup and sparked the Bears to a 3 - 1 win. Laplante scored two goals and Pachal the other.

In the series played at Edmonton the Bears swamped the Bisons 11 - 2 in the first game but had to come from behind to win the second 8 - 7. Al Laplante was the individual star of the weekend series scoring 4 goals in each game including the winning goal in the second game.

BEARS vs. HUSKIES

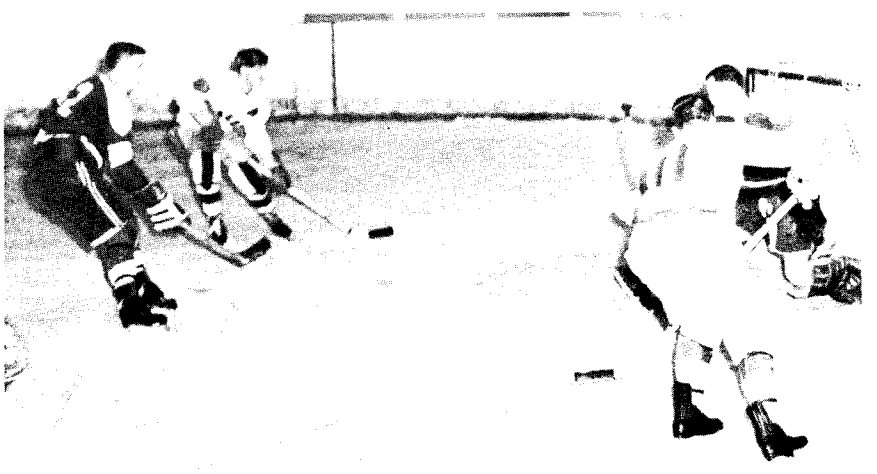

In their first meeting with the defending champion Huskies, the Bears scored a convincing 8 - 2 win. The Huskies opened the scoring and were leading 2-0 before Alberta got rolling; however, from that point on the Alberta cage was closed. Pachal and Zimmel scored two goals apiece, others going to Smith, Janowsky, Connelan and McGhee.

On the next day the Bears took a 5 - 0 first period lead and coasted to a 6 - 1 victory.

At Saskatoon the Bears continued their winning ways, defeating the Huskies 6 - 1 and 5 - 0. The shutout was the first of the season in intercollegiate play. Goaltender Fred Lamb, over the 4 games he played, allowed only 5 goals giving him a very respectable 1.25 goals against average.

BEARS vs. OIL KINGS

Clare Drake's men split a two-game series with the crosstown Oil Kings of Leo Leclerc in the grudge match of the year. The first game was won by the Bears 6 - 3 in the Varsity Rink. Vern Pachal came through with a hat trick, with others goals going to Les Zimmel, Bob McGhee, and Vic Dzurko. For the Kings, U. of A. student Bob Goebel had two goals and one assist.

In the rematch played at the Gardens the Oil Kings, reinforced by 8 Central Alberta League All-stars, edged the Bears 4-2. Dorohoy, Pasutto, and U. of A. students Bob Goebel and Bob Marik scored one goal apiece for the Kings, with Pachal getting both Alberta goals.

BEARS vs. U. B. C.

Alberta retained possession of the Hamber trophy for the tenth year in a row as they defeated U.B.C. Thunderbirds 15 - 6 in the annual two-game series. In the first game, a free scoring affair, the Bears came through on the long end of a 9 - 4 score. Pachal was top scorer with four goals. Austin Smith and Vern Pachal led the Albertans with two goals each in the second encounter which was won 6 - 2.

SKATING

Competition was keen this year for the Irving Kline Trophy, which is symbolic of figure skating supremacy. The University of Saskatchewan gained the greatest number of points to win the trophy.

The performances of Marion Levinson and Elaine Whelihan were particularly praiseworthy as they took the junior and intermediate figures respectively. Coleen Cameron and Marion Levinson won the junior dance. Elaine Whelihan and Lorna Saville represented Alberta in senior pairs but were edged out by Saskatchewan in a very close match. The other member of the team was Wendy Cotter who was entered in the senior free skating and senior dance. The team was coached by Mrs. Muriel Whyte and Rosemary Hall. The skating team made an admirable showing despite the loss.

WRESTLING

With Paul Yewchuk as president and Alex Romaniuk as Coach the Wrestling Club ended another successful season. The year's activities included meets in Calgary and Edmonton with local clubs plus a meet at Montana State College. The year was brought to a close with U. of A. hosting U. of S. and U.B.C. with the intercollegiate championship going to Saskatchewan.

The members of the Alberta team were: Curtis Quigley, Bob Mitchell, Joe Clarke, Paul Yewchuk, Dick Larratt, John Goldack, Dave Cooper and Pete Nash.

CURLING

The members of the Women's Intervarsity curling team this year were June Jamieson, Betty Robertson, Brenda Brown and Liz Wilson. The bonspiel was held in Saskatoon where Alberta, Saskatchewan, B.C., and Manitoba competed for the Spooner Trophy.

Of the three games played, Alberta lost to British Columbia and Saskatchewan, but defeated Manitoba, thus giving them third place in the competition. The team was coached by Darrel Hockett.

ALBERTA vs. MANITOBA

HICKEN SWISHES

In their first encounter with the Bisons at Winnipeg the Bears were dumped 76 - 53. The Manitobans had an excellent 45% shooting average from the floor compared with a 25% average of the Bears. From the free throw line Bisons shot 20/24 while the Bears had 19/30. The taller, more experienced Bisons took an early lead in the game and were never in trouble.

The following afternoon, in a game that was telecast in Western Canada the Bisons once again trounced our boys, scoring an 83 - 59 win. Accuracy was again the big factor. The Bisons scored 28 baskets on 68 attempts while Alberta had 19/67.

At Alberta on VGW the Golden Bears turned the tables and handed the Bisons a double setback. The first game was won quite handily 59 - 44. The second game was much closer and ended with overtime being played. Alberta squeezed out a 52 - 49 win to complete the weekend sweep. Dave Thomson in his final game as a Golden Bear led the team with 13 points. Maury Van Vliet followed with 10.

The two wins left Alberta in third place in the final standings but brought them within 2 points of second place Manitoba.

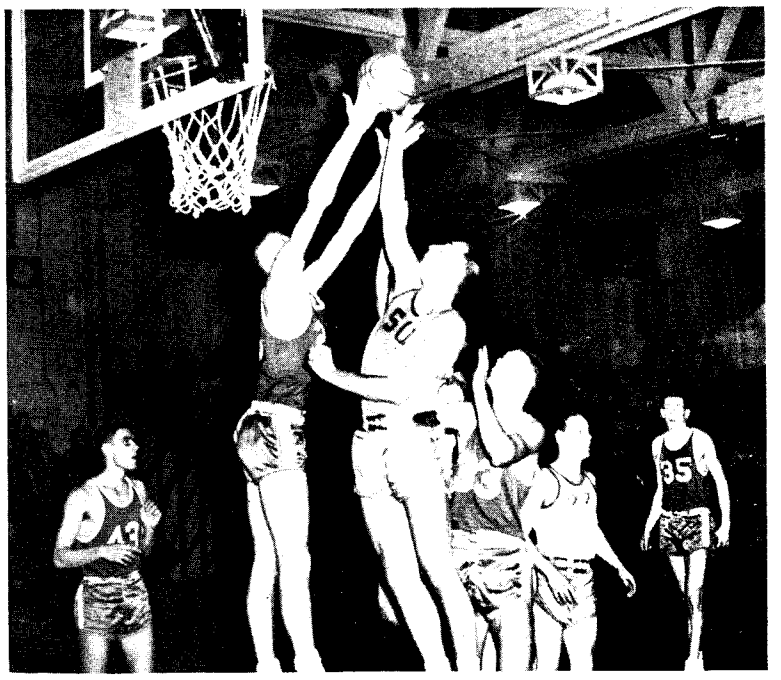

ALBERTA vs. SASKATCHEWAN

Alberta got on the win trail with a 61 - 57 overtime victory over Saskatchewan Huskies. The game was scrambly and sometimes ragged, however, it provided an exciting finish. Thomson and Beleshko had 12 points each for the Bears with Van Vliet getting 11 and Hicken 10.

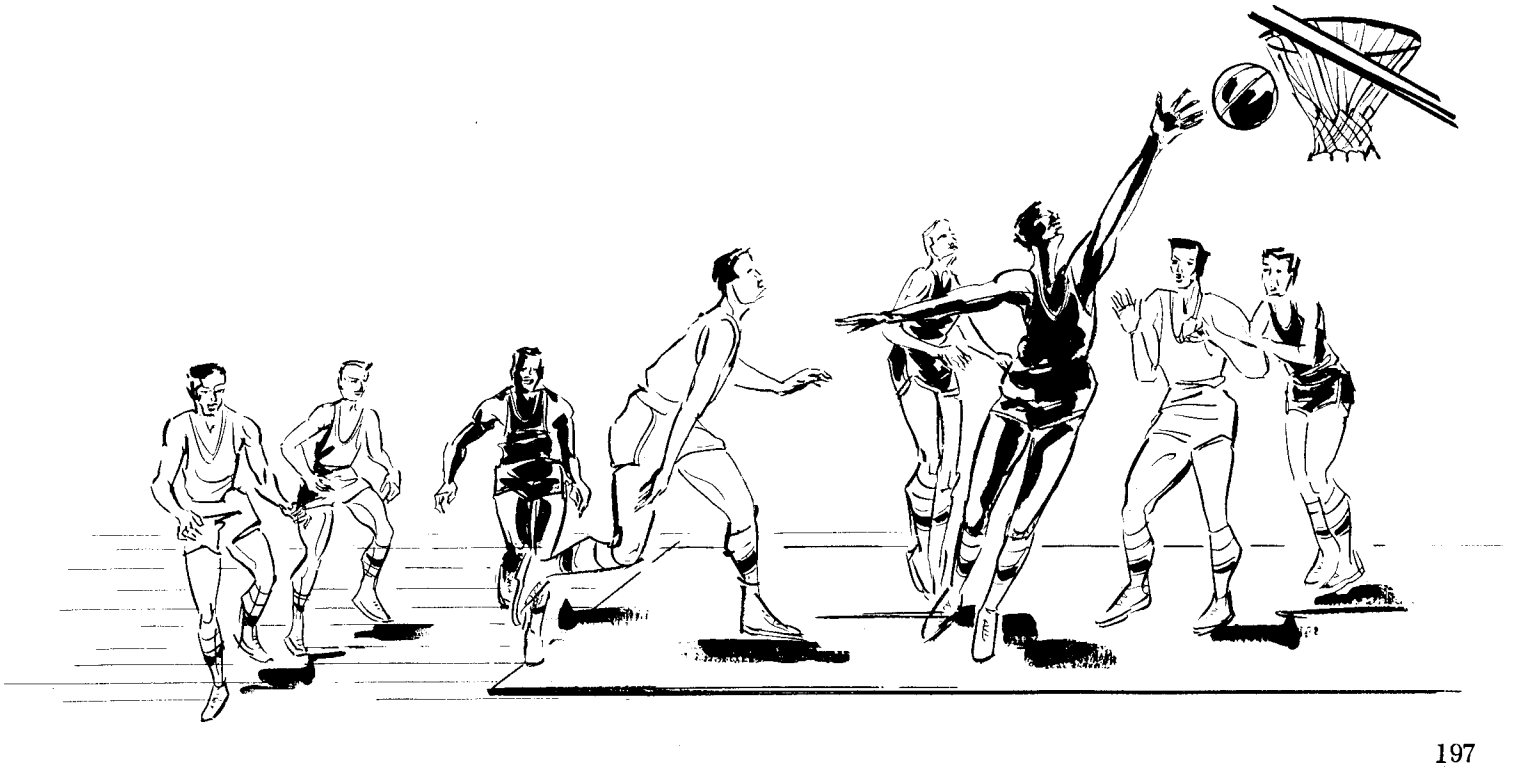

On Saturday afternoon Beleshko used his hook shot to good advantage and scored 24 points to lead the Bears to a 58 - 41 win. Van Vliet was next highest with 14 points.

On their home floor the Huskies gained some measure of revenge as they defeated the Bears 65 - 56. At one point in the game the score was a close 50 - 49 but defensive lapses by the Bears cost them the game. Hicken potted 21 points and Van Vliet, 13, to pace the Alberta attack.

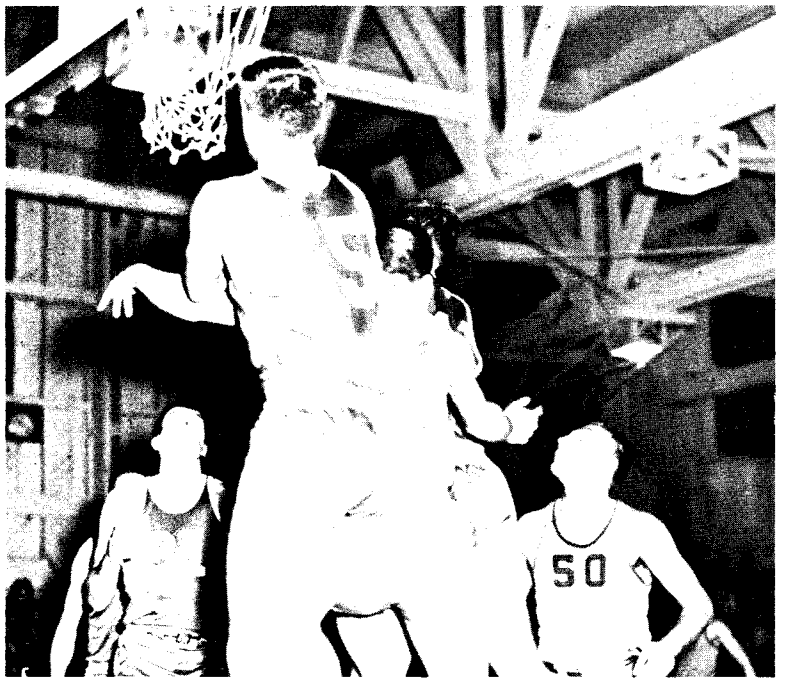

In their final game with the Huskies the Golden Bears scored a 59 - 44 win, to give them third place in the league. Maury Van Vliet, playing excellent ball in the final games, scored 20 points to lead the scoring. A third quarter spurt brought the Bears from behind and they stayed ahead from then on to win.

THE BIG STRETCH

ALBERTA vs. U. B. C.

WHERE'S THE BALL?

U.B.C. Thunderbirds swept a weekend doubleheader at the Varsity gym, winning 53 - 50 in the first game and 53 - 35 in the second. The Bears were leading the first game 45 - 38 with only 5 minutes remaining, however, U.B.C. made an exciting comeback and managed to eke out the win.

On Saturday afternoon the Alberta boys were ahead 12 - 11 at the end of the first quarter, but from then on the story was all Thunderbirds. For the rest of the first half they held Alberta to 2 points, while scoring 12 themselves. The Bears never threatened in the second half and the Thunderbirds coasted on to win.

U.B.C. continued their mastery over our Golden Bears as they trounced them 66 - 45 and 60 - 33, to sweep the weekend series at the coast. U.B.C. led the first game 19 - 15 at half time and gained complete control in the final period. In the second encounter, Thunderbirds were leading 31 - 17 at the half and were never in trouble throughout the game.

HOCKEY

INTERFRATERNITY

Lambda Chi Alpha defeated defending champion Phi Delta Theta 3 - 2 to win the I.F.C. hockey trophy. In first round play Lambda Chi defeated DU, Phi Delt won over Kappa Sigma, D.K.E. beat Phi Kap and Zeta Psi defeated S.A.M. Second round action saw Phi Delts oust the DKE's and Lambda Chi eliminate the Zete's.

Throughout the tournament Austin Smith was the big gun for Lambda Chi and his two goals in the final game provided the margin of difference.

INTERFACULTY

Agriculture emerged as champions in the Interfaculty Hockey League playoffs defeating Slipsticks 4 - 1 in the final game to be played in the old yellow barn. Agriculture received the bye into the final after winning their league. In the semi-final the Slipsticks outskated an undermanned and overconfident Phys. Ed. team to gain their way into the final.

The finals were fairly rough but clean games as few penalties had to be called by the referees.

PANDAS

The Pandas lost the Cecil Race Trophy, symbolic of W.C.I.A.U. basketball competition, to British Columbia this year. The Alberta team has held the trophy for the last two years.

The round-robin tournament, held in Saskatoon, was highlighted by a thrilling game between the Pandas and British Columbia. Playing under great pressure, the Alberta girls had two baskets scored against them in the final stages of the game to end it 32 - 28 in favor of the west coast team. The Pandas defeated both Saskatchewan and Manitoba to give them second place in the meet.

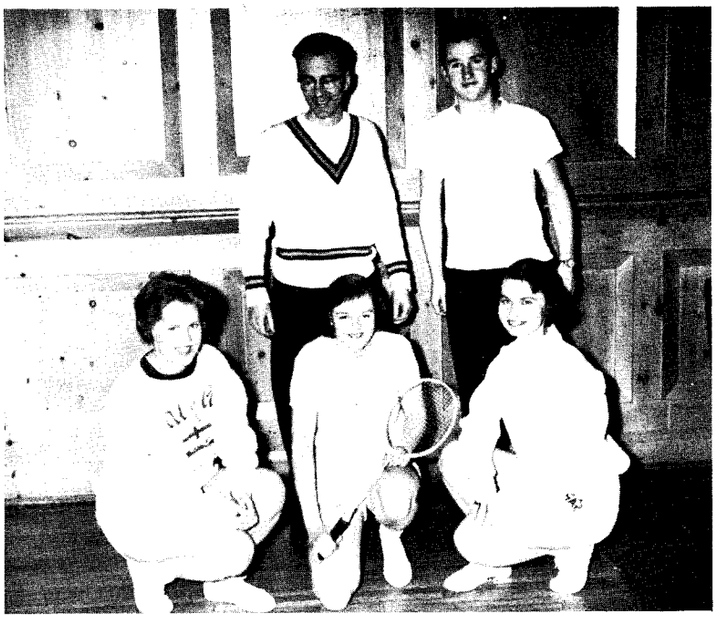

Coach Ruby Anderson's team also did very well in the city basketball league. In addition to this, the Pandas defeated the Calgary Maxwells, who were last year's provincial champions. The members of the team were: Betty-Lou Archibald, Ann Blackwell, Bev Coward, Bernice Coward, Jean Harvie, Donna Huestis, Pat Jackson, Phyllis Schmitt, Darlene Steiner and Judy Urch. The team was managed by Elaine Peacock.

The Cubs, the junior women's basketball team, had another successful year. The members of the Cubs were: Ann Hayes, Andrea Borys, Elaine Eliot, Pat Gerlock, Joan McLaine, Wendy Dahlgren, Bev Fenske and Betty Bimler.

Back row, left to right: Bev Coward, Judy Urch, Betty-Lou Archibald, Phyllis Schmitt, Darlene Steiner, Ann Blackwell, Bernice Coward, Jean Harvie.

BADMINTON

U. of A.'s badminton team travelled to Winnipeg this year to compete for the O. J. Walker Trophy. The trophy was won in a clean sweep by the team from British Columbia. Manitoba placed second, followed by Saskatchewan and Alberta. The members of the team were: Mary McKenzie, Lucille Salt, Miriam Williams, Bob Foroliech, George McKimm, Bob Young, and Terry Myles. The team was coached by Mr. Inall.

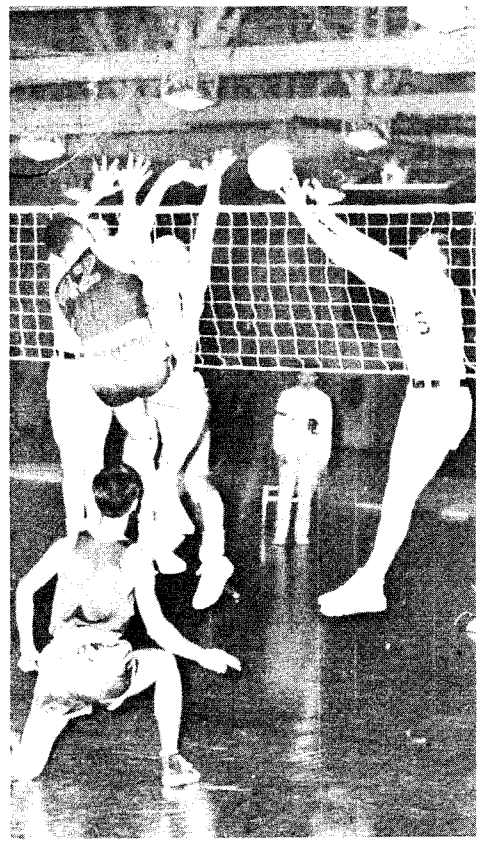

VOLLEY

Back row, left to right: Gerry Baycroft, Earl Miller, Mel Edlund, Kosta Chrysanthou (coach), Mike Grace, Ted Mitenko.
Front row: Bob Rose, Kin Seto, Garth Worthington (captain), Don Munro.

Alberta hosted U.B.C., U. of S., and U. of M., in Intercollegiate Volleyball and managed to win the championship with a fine comeback. In the double knockout tournament, Saskatchewan was the first team to fall. In second-round play Manitoba defeated B.C. as Alberta received a bye into the final. The finals saw U. of M. defeat Alberta in the first series and had the hosts on the ropes 1 - 0 in the second when the Albertans rallied for 2 straight wins and the championship.

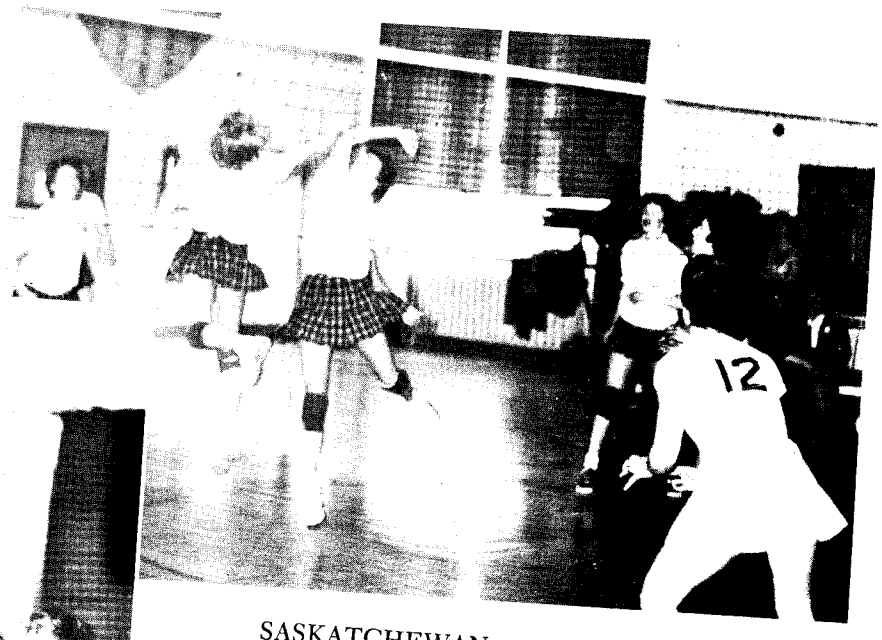

EYBALL

Alberta co-eds played hostesses to U.B.C., U. of S. and U. of M. during Varsity Guest Weekend. The team captured the Sam Landa Trophy, emblematic of volleyball supremacy, for the third year in a row. The British Columbia team placed second with Saskatchewan and Manitoba third and fourth respectively. The team members were: Betty-Lou Archibald, Phyllis Arnold, Andrea Borys, Bev Coward, Pat Davidson, Jo Gozelney, Jean Harvie, Donna Huestis, Pat Jackson and Sylvia Shaw.

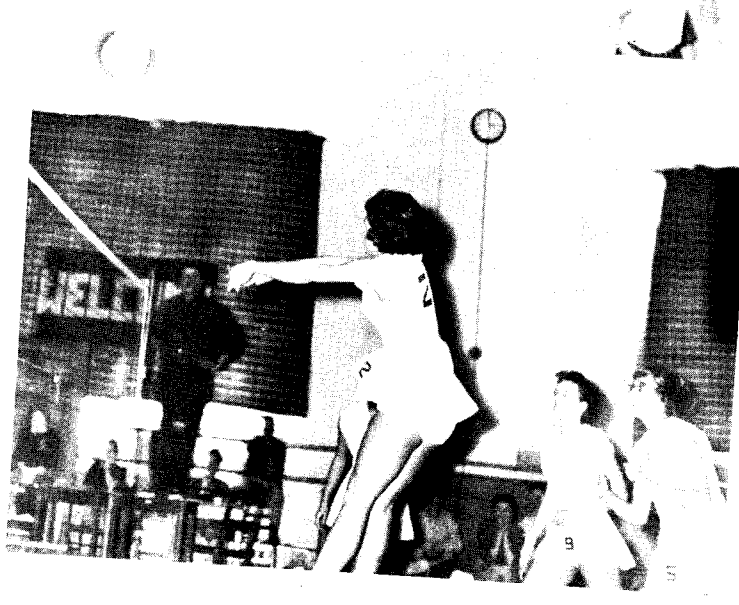

Coached by Audrey Carson the Alberta team outclassed the visitors in every phase of the game. The opposition was often bewildered at the smashing serves and driving spikes which along with solid team effort aided the Alberta girls to win all their matches in the round-robin tourney.

How the heck do you work this camera?

In the Intercollegiate swim meet held in Edmonton, U.B.C. entering for the first time was victorious. By winning the Griffiths Cup, U.B.C. ended Saskatchewan's long reign as champions. The Alberta boys, coached by Murray Smith, trained diligently but were unable to come out on top. With new facilities to work with in future years, Alberta should improve in this particular sport.

SWIMMING

Left to right: Hope Palmer, Lynn Caskey, Janet McPherson, Pat Nicol, Bev Coward, Jean Fraser, Loretta O'Neill, Barbara Heaps, and Turid Minsos.

The University of Alberta was the scene of the intervarsity swim meet in 1960. The Alberta girls were hostesses to U. of M., and U.B.C. The British Columbia team swam away to win the meet, with Alberta coming second and Saskatchewan not far behind.

In the synchronized division Loretta O'Neill and Turid Minsos won top honors with their duet and placed second and third respectively in their solo numbers.

The British Columbia sea-nymphs were very successful in the racing section as they broke all possible records. Alberta's Hope Palmer and Turid Minsos placed second and third in the 100-yard freestyle while Turid also came third in the 50-yard freestyle. Loretta O'Neill, Hope Palmer, Pat Nicol and Turid Minsos gained a second place for Alberta in the freestyle relay.

Bernice Coward showed good form to win the diving events. Other members of the team included Lynn Caskey, Janet McPherson, Jean Fraser and Barbara Heaps. The team was coached by Miss Pat Austin.

FENCING

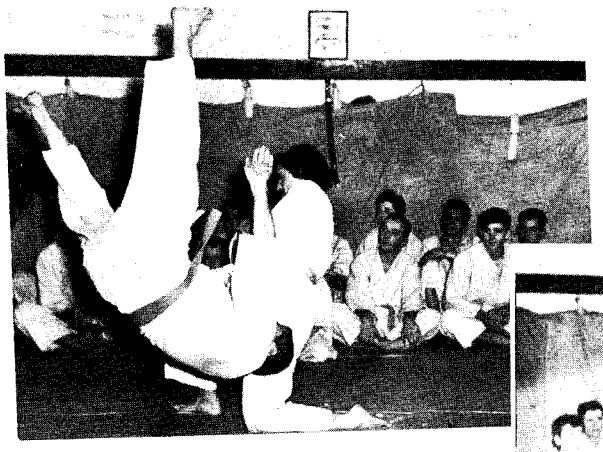

The Alberta Fencing team, coached by Nicholas Rosta, made an excellent showing in the intervarsity competition held at Winnipeg. The men's championship was won by Alberta as well as the mixed team championship; however, the team was disqualified in the combined results for not having a full team of 3 girls. Mike Cody of U.A.C. joined the team for the trip to Manitoba and helped considerably in bringing the men's championship to U. of A.

BLOCK A CLUB

The Block A Club is the honorary men's athletic society on campus. Membership is awarded on the basis of prolonged outstanding ability and good sportsmanship in intercollegiate sport. The Club presents sweater and ring awards to its members to help promote athletic endeavors, both on and off campus.

INTRAMURAL FOOTBALL

The men of Phi Delta Theta regained the intramural football championship marking the 6th time that they have won the trophy in the seven years it has been presented. They defeated Kappa Sigma, the perennial runners-up, 2 - 0, in the final game played on a frozen, snow-covered grid. Throughout the season the Phi Delts went undefeated and were not scored upon. However, one game was lost through a protest by Education.

CONTINGENT OFFICERS AND CADETS ASSEMBLE FOR MESS DINNER

COTC

UNIVERSITY OF ALBERTA CONTINGENT

The C.O.T.C. program provides a means for young men attending university to qualify as officers in the Regular Army or the Militia. The training is normally taken over a period of three years, and when successfully completed qualifies the officer cadet for the rank of Lieutenant when he has obtained a degree.

Each training year is in two parts, a theoretical phase which is taken at the university during the academic year and a practical phase each summer, normally taken at a Corps School or Regular Army unit.

The theoretical phase of training consists of lectures given by contingent officers and guest speakers on a wide range of topics, including military history, tactics, leadership and military law. In addition, cadets may participate in competitive rifle shooting. The Contingent took part in the annual Remembrance Day Memorial Service. A highly successful formal Tri-Service Military Ball was held again this year. The annual Mess Dinner, held at the Officers' Mess, Western Army Command, rounded out the winter term.

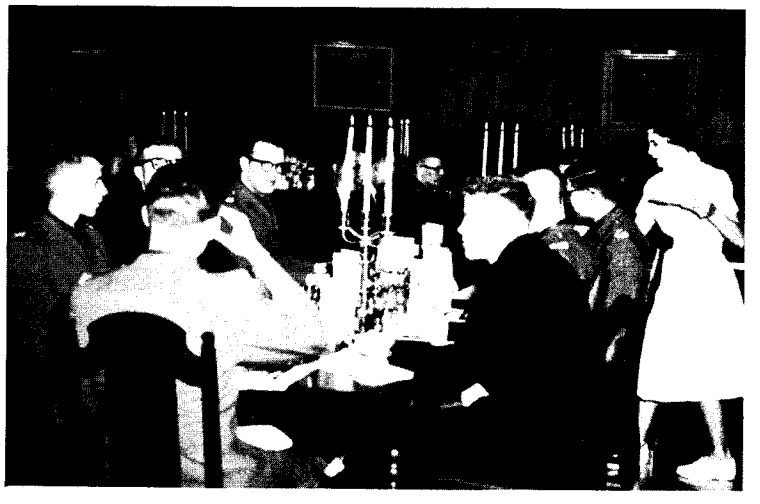

The summer's practical phase of training saw contingent members attending their respective corps schools at various army centres across Canada, from Chilliwack, B.C. to Kingston, Ontario. Studied at first hand were basic military fundamentals, leadership, weapons training and tactics. In the summer of 1959 three of the best cadets were posted to Germany for service with the Regular Army.

ANNUAL MESS DINNER

RCAF

UNIVERSITY OF ALBERTA SQUADRON

In addition to the regular Wednesday evening parades and lectures the winter program of the University of Alberta Squadron included some special events. The third year cadets won the sports trophy in an inter-year competition held at RCAF Detachment Kingsway. Two formal mess dinners were held at Namao Officers' Mess at which Dean Huston and Dr. Parr were the guest speakers. We also took part in the tri-service activities which included the Annual Training Command Band Concert, the Remembrance Day parade and service, a smoker at H.M.C.S. Nonsuch and the formal Ball held at Hamilton Gault Barracks, Griesbach.

The following cadets were promoted to Pilot Officer rank: Paul Clark, John Ming, Eugene Bayduza and Al Stenson.

The second annual ceremony of inspection was held 9 March in the University Drill Hall. G/C Chapman of RCAF Station Penhold was reviewing officer and President Johns presented merit awards to P/O Stenson, F/C Simonsen, and F/C Maybee and scrolls to the graduands. The Training Command Band was in attendance. Coffee was served in the Wauneita Lounge following the ceremony which was attended by family and friends of Squadron members.

First year cadets were posted to St. Jean, Quebec, and Centralia, Ontario, for a basic officers' course. A.C.H. Smith, D. Chappell, Len Gartner and Lorne Sampson were posted to stations in Europe. The others were posted to various stations across Canada.

The staff continued as before: W/C B. E. Riedel, Commanding Officer; S/L A. B. Crighton, Chief Training Officer; F/L F. D. Blackley, Chief Administrative Officer; F/L R. H. Common, Assistant Administrative Officer. Regular force support was given by F/L R. A. Schoales and Cpl. G. D. Currie.

The man or woman entering the professional world in any one of the many specialized fields of education is providing leadership and guidance to his country. Through scientific training and research, new discoveries are made . . . new and improved methods and higher standards of living are accomplished.

To the University of Alberta graduating class of 1960 goes the honor of entering the business and professional world with a standard of training befitting the profession of your choice. You are entrusted to apply this knowledge to the benefit of mankind, to uphold the honor and dignity of your profession and to discharge your duties with fairness and impartiality to all.

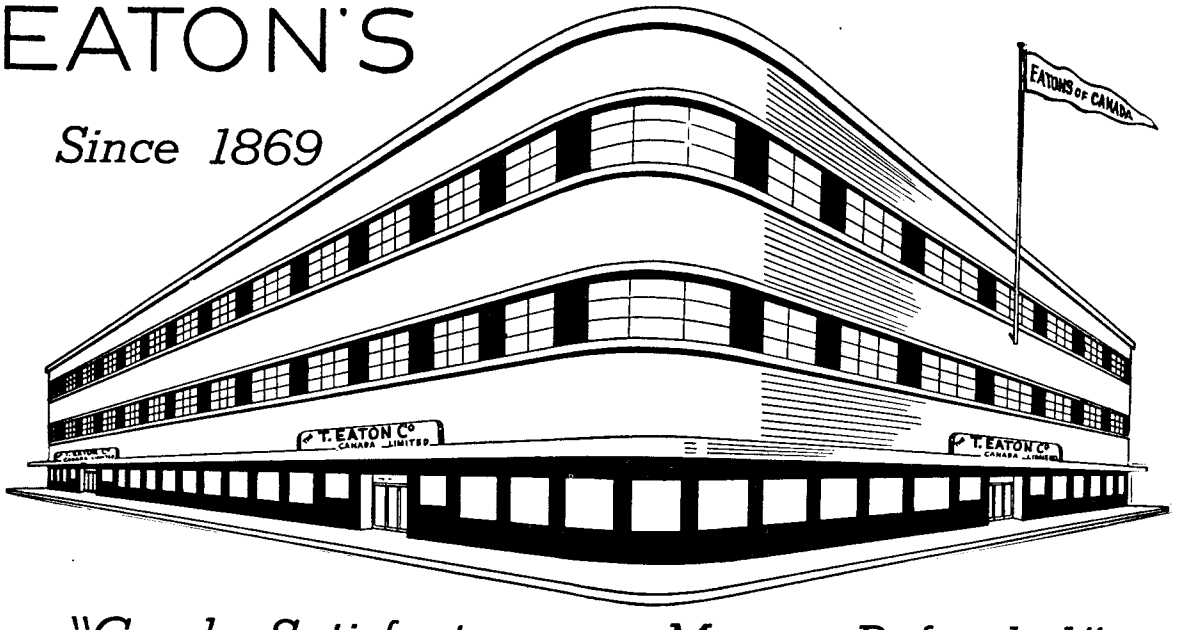

To the Graduands of the U. of A. class of 1960, it is my pleasure to extend sincere best wishes from the citizens of Edmonton, for every success.

ONE OF CANADA'S GREAT NEWSPAPERS

$\delta = \frac{PL}{AE}$... *an equation in your future?*

If you have a special interest in structural steelwork or mechanical engineering in any of their many phases then this equation could be part of your future.

For Your Career . . .

- . . . seek a company with a large operation where standards are high and the broadest opportunities for development exist.
- . . . seek a company where top engineers can guide and develop your future progress along the most promising lines.
- . . . seek a company with a sound record of past achievements, and a management philosophy that will keep it forward moving for years to come.
- . . . seek a company with whom you will be proud to be associated.

Such a company is Dominion Bridge. Five divisions: Structural, Mechanical Products, Platework, Boiler Products, Warehouse Steel. Fourteen plants from coast-to-coast in Canada.

The meter that measures our standard of living

It measures kilowatt-hours ... and as the kilowatt-hours grow, it indicates the ever-greater role of electricity in making our lives easier and more enjoyable.

Abundant low-cost electricity probably contributes more to our standard of living than any other factor. It creates opportunity for industry and business ... it speeds the production of goods ... it opens the way to hundreds of thousands of better-paying jobs for Canadians.

Kilowatt-hours cost so little—but think of what they can do. In the home, low-cost electricity can bring a world of convenience, comfort and service. Planned lighting brings glare-free new pleasure and charm to every room—at the flick of a finger. In the kitchen and laundry electrical appliances save time and toil. Television and many other products contribute to our leisure and entertainment.

Are *you* making full use of inexpensive electricity?

LIVE BETTER ELECTRICALLY

To make full use of modern electrical equipment—in home, office or factory—an adequate wiring system is essential. Your local power company, provincial Electric Service League or any qualified electrical contractor will assist you in planning to "Live Better ... Electrically."

MASSEY-FERGUSON

largest manufacturer of tractors and combines in the world

Massey-Ferguson has reached a new horizon in achievement. Long known as one of the leading farm machinery firms on this continent, Massey-Ferguson has now become the largest manufacturer of tractors and combines in the world.

In Europe, Massey-Ferguson has greatly enlarged its activities by acquiring Perkins, the well-known diesel engine manufacturers, and Standard tractor manufacturing facilities in Coventry, England. Altogether it now has eight plants to meet the demands of the important markets of Europe.

Selling in 142 countries, Massey-Ferguson, by promoting farm mechanization, not only benefits the farmers but helps to raise the living standards of the peoples in the underdeveloped countries. The world-wide record of service of this great Company is one of which Canadians may well be proud.
